CHS Connect: Built for you

CHS Connect helps you efficiently view and manage your daily tasks like manifest assignment, contracts, pricing, and invoices. In addition, you can manage your notification preferences all in one place. Learn more about CHS Connect features and functionality below!

Access to CHS Connect

CHS Connect is accessed via the CHS Portal. If you don't already have access, register for the CHS Portal at registration.chsinc.com and be sure to select CHS Connect access for refined fuels and/or propane upon registering.

[registration.chsinc.com.](https://registration.chsinc.com)

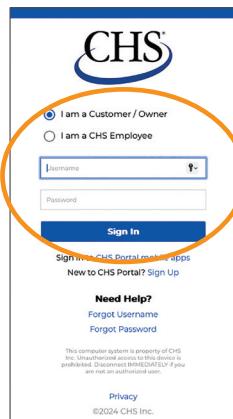

Log In

To log in to CHS Connect, enter chsconnect.chsinc.com into your browser or scan this QR code.

chsconnect.chsinc.com

Log in using the username and password associated with your CHS account. If you are already using other CHS applications, you will use the same username and password you do for that login.

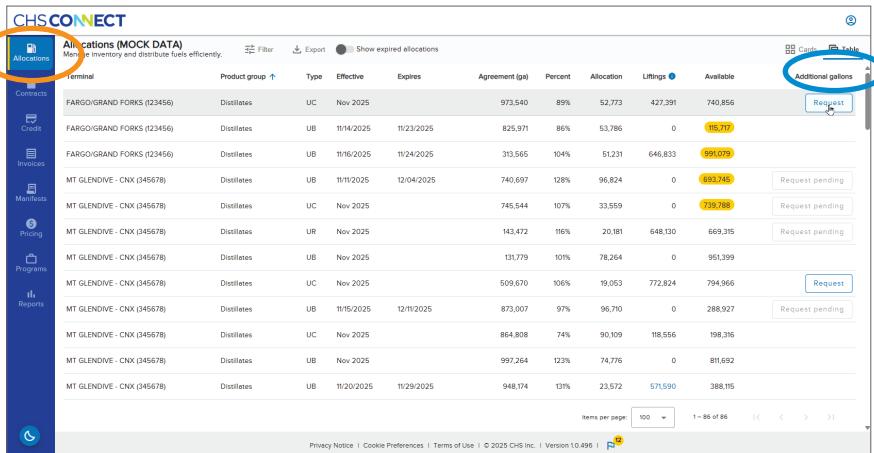

Questions?

For assistance with registration or any CHS Connect features, please contact us at chsconnect@chsinc.com or (800) 548 9727.

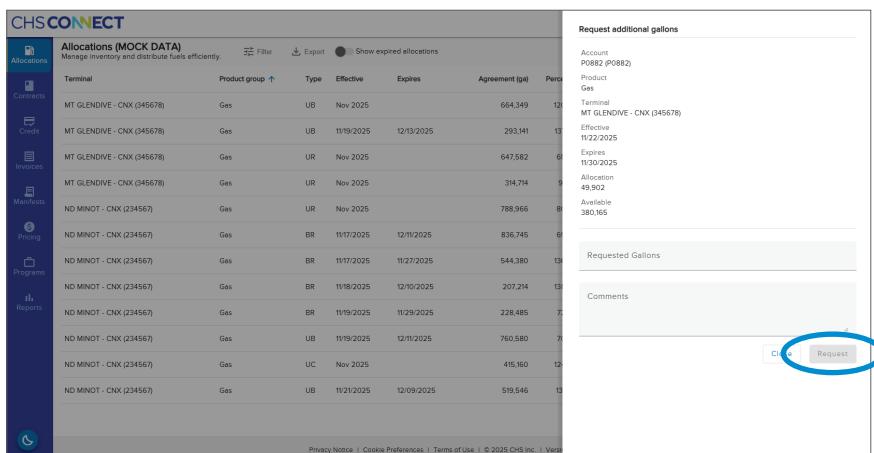

Allocations

Select the **Allocations tab** from the left-hand navigation of CHS Connect. On this page, you'll be able to see a snapshot of how much product has been allocated, what has been lifted and how much remains. When you've used at least 75% of your allocation, you'll see a yellow indicator in the available gallons field. When 25% of volume has been lifted, you will see a **Request** button on the right-hand side of the page. Click that button to request additional gallons.

The screenshot shows the CHS Connect interface with the 'Allocations' tab selected. The main content area displays a table titled 'Allocations (MOCK DATA)' with the following columns: Terminal, Product group, Type, Effective, Expires, Agreement (gal), Percent, Allocation, Liftings, Available, and a 'Request' button. The table lists several entries for different terminals and product types. The 'Available' column shows values like 740,856, 115,717, 99,079, etc. The 'Request' button is highlighted with a blue oval. The bottom of the page includes a footer with links to Privacy Notice, Cookie Preferences, Terms of Use, and a version number.

In this view, you will be able to enter the amount of gallons to request. Add comments if needed, then click **Request** to send your request to the CHS team.

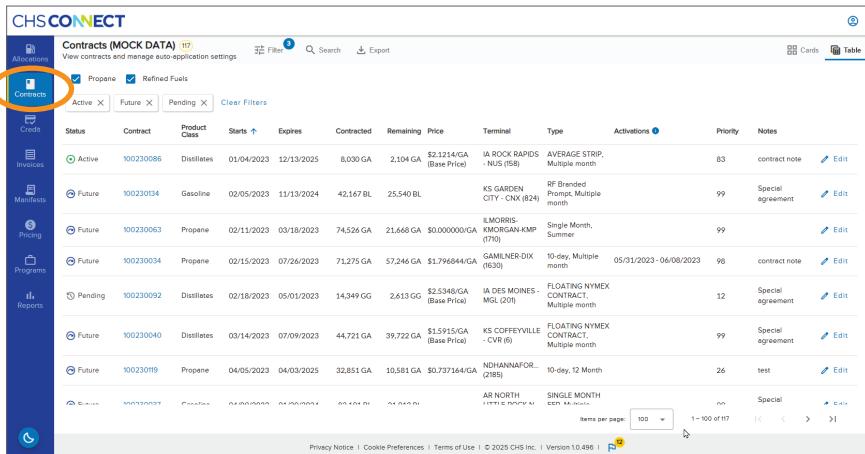

The screenshot shows the CHS Connect interface with the 'Allocations' tab selected. The main content area displays a table titled 'Allocations (MOCK DATA)' with the following columns: Terminal, Product group, Type, Effective, Expires, Agreement (gal), Percent, Allocation, Liftings, Available, and a 'Request' button. The table lists several entries for different terminals and product types. The 'Available' column shows values like 668,349, 293,141, 647,582, etc. The 'Request' button is highlighted with a blue oval. To the right, there is a sidebar titled 'Request additional gallons' with fields for Account (P0882), Product (Ges), Terminal (MT GLENDOVE - CNX (345678)), Effective (11/2/2025), Expires (11/30/2025), Allocation (49,902), and Available (380,165). Below this is a 'Requested Gallons' field and a 'Comments' field. At the bottom right of the sidebar is a 'Request' button.

Contracts

Select the **Contracts** tab from the left-hand navigation of the CHS Connect screen. This view allows you to see your active, future and pending contracts. Each contract will have their status and remaining gallons indicated on each contract.

The screenshot shows the CHS Connect interface with the 'Contracts' tab selected. The main area displays a table of contracts with columns for Status, Contract, Product Class, Starts, Expires, Contracted, Remaining, Price, Terminal, Type, Activations, Priority, and Notes. A sidebar on the left lists other navigation options: Allocations, Contracts (selected), Credit, Invoices, Manifests, Pricing, Programs, and Reports. At the top, there are filters for Propane and Refined Fuels, and buttons for Active, Future, Pending, and Clear Filters. The table includes several contracts with details like 'IA ROCK RAPIDS - NUS (8B)' and 'KS GARDEN CITY - CNX (824)'. At the bottom, there are buttons for 'Items per page' (100), a search bar, and a note about Privacy Notice, Cookie Preferences, and Terms of Use.

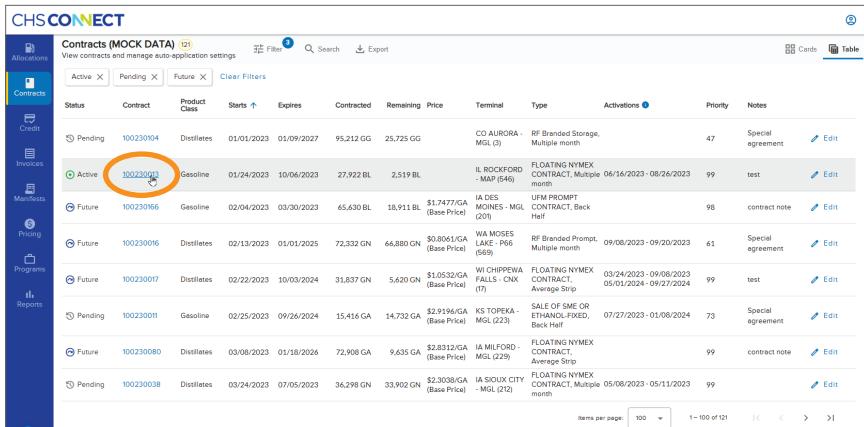

You can also click on the **edit** section to see more contract details. Add notes in this view and click **Save** to complete the process.

The screenshot shows the CHS Connect interface with the 'Contracts' tab selected. A modal dialog box is open for 'Edit - Contract 100230085'. The dialog shows the contract details: 'Gasoline 0.5647/GA (Base Price)' with '09/25/2025 - 05/21/2026' as the period, 'Primary Terminal: IL ROCKFORD - BKY (816)', and 'Type: RAIL CONTRACT, Multiple month'. It also shows 'Activations' (1), 'Priority' (99), and 'Notes' (contract note). The 'Contracted' and 'Remaining' columns show '93,692 GA' and '54,879 GA' respectively, with a progress bar at 59%. A section for 'Activation Period' shows '11/24/2025 - 1/29/2025' with a 'Add activation period' button. At the bottom, there are 'Cancel' and 'Save' buttons, with the 'Save' button highlighted with a blue circle. The background shows a list of other contracts with similar details.

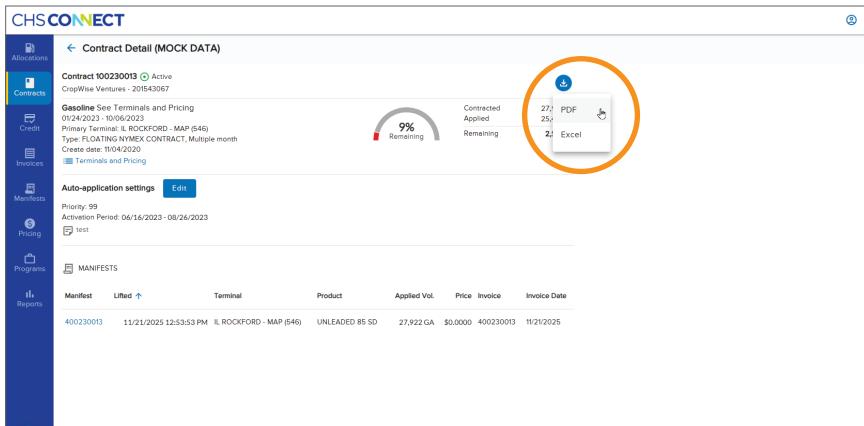

Contracts *continued*

You can download the information on this page in PDF or Excel format for your records. You can also download information for each contract by clicking into the **contract number**.

Invoices

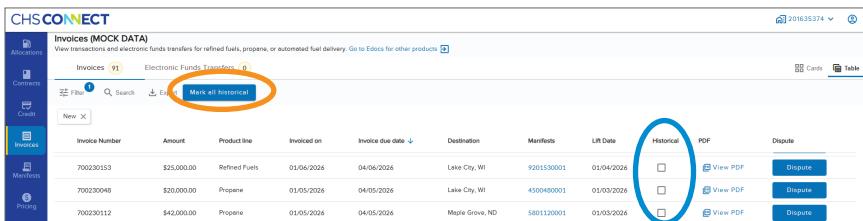

To view your invoices in CHS Connect, go to the **Invoices tab** from the left-hand navigation. The invoices listed here will be from December 2025 and beyond. To access invoices prior to December 2025, click the **link to Edocs** at the top of the page.

Invoice Number	Amount	Product Line	Invoiced on	Invoice due date	Destination	Manifests	Lift Date	Historical	PDF	Dispute
700230153	\$25,000.00	Refined Fuels	01/06/2026	04/06/2026	Lake City, WI	9201530001	01/04/2026	<input type="checkbox"/>	View PDF	Dispute
700230048	\$20,000.00	Propane	01/05/2026	04/05/2026	Lake City, WI	4500480001	01/03/2026	<input type="checkbox"/>	View PDF	Dispute
700230112	\$42,000.00	Propane	01/05/2026	04/05/2026	Maple Grove, ND	5801120001	01/03/2026	<input type="checkbox"/>	View PDF	Dispute

From this view, you can also archive invoices by using the **Mark all historical** button. Simply **check the box on each invoice** you'd like to mark historical and press the **Mark all historical** button.

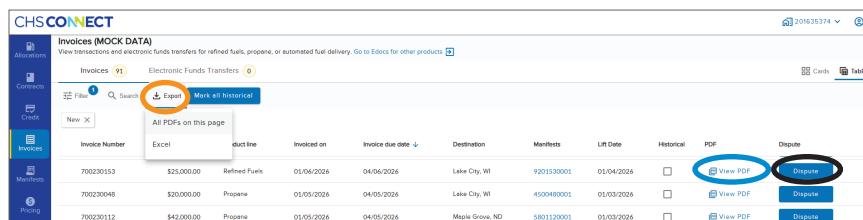

Note that once you mark an invoice as historical it will no longer show on your default invoice screen view.

Invoice Number	Amount	Product Line	Invoiced on	Invoice due date	Destination	Manifests	Lift Date	Historical	PDF	Dispute
700230153	\$25,000.00	Refined Fuels	01/06/2026	04/06/2026	Lake City, WI	9201530001	01/04/2026	<input type="checkbox"/>	View PDF	Dispute

Manifest management

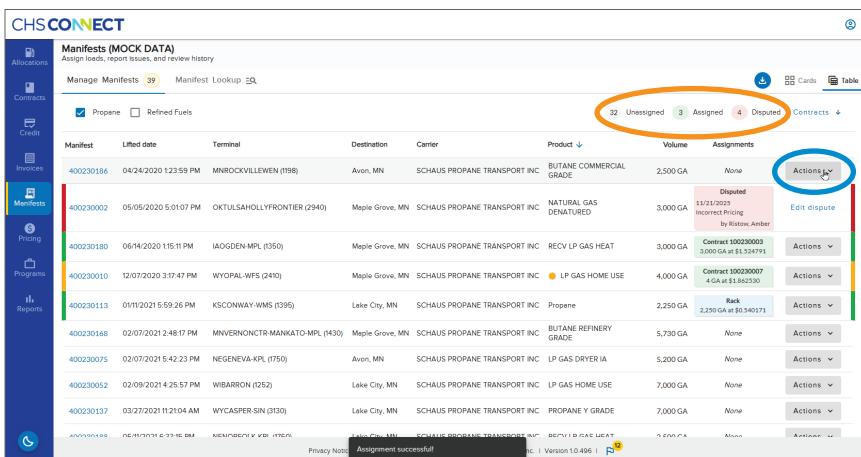

Select the **Manifest tab** from the left-hand navigation of the CHS Connect screen.

Within this tab, you can assign loads and report issues in addition to viewing manifest history.

The screenshot shows the CHS Connect interface with the 'Manifests' tab selected. The main content area displays a table of manifest records. Each row includes columns for Manifest ID, Lifted date, Terminal, Destination, Carrier, Product, Volume, and Assignments. The 'Assignments' column contains buttons for 'Actions', 'Rack', and 'Contract'. A status bar at the bottom indicates 33 manifest records. The left sidebar shows navigation links for Allocations, Contracts, Credit, Invoices, Programs, Reports, and a 'Manifests' link which is highlighted with a yellow circle. The top right corner shows a user icon and the text 'P0882'.

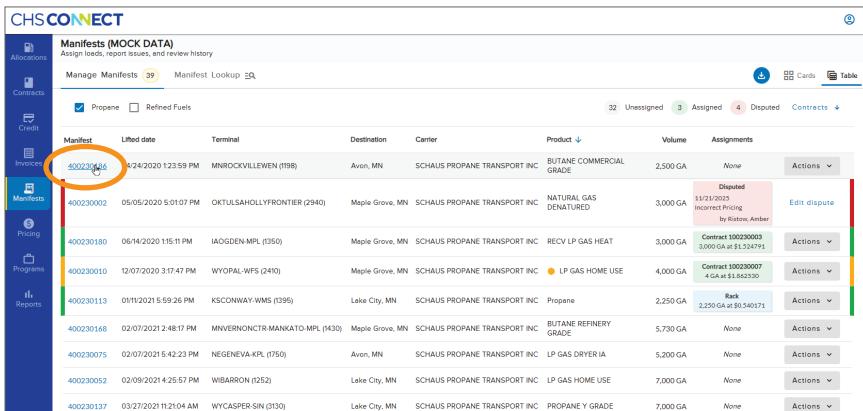

Across the top of the page, you'll see how many **unassigned, assigned, and disputed manifests** you have for the day. To assign a manifest, click the **Actions** button on the right side of the page. You can assign up to two contracts per manifest and all remaining gallons will default to rack pricing.

This screenshot shows the same CHS Connect interface as the previous one, but with a focus on the top status bar. The status bar is circled in orange and displays the counts: 32 Unsigned, 3 Assigned, and 4 Disputed. Below the status bar, the 'Actions' button for the first manifest in the list is circled in blue. The rest of the interface is identical to the first screenshot, showing the manifest table and the left sidebar with the 'Manifests' link highlighted.

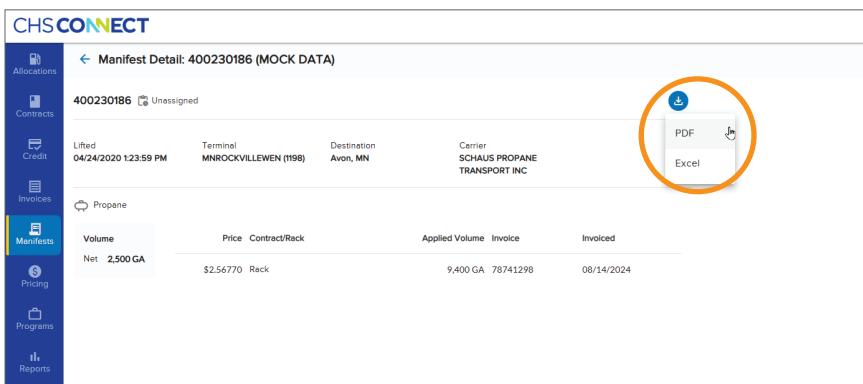

Manifest management *continued*

To see more detail of each manifest, click the **manifest number** on the left side of the page.

Safety reimbursement program

Select the **Programs tab** from the left-hand navigation of CHS Connect. Then select **Propane Safety Rebate**. On this screen, you'll be able to see a summary of your current available dollars and rebate information for the current fiscal year.

The screenshot shows the CHS Connect interface with the 'Programs' tab selected, highlighted by an orange circle. The main content area displays the 'Propane Safety Rebate' program, which offers reimbursement for safety expenses based on propane purchases. Other programs listed are Ad Share Rebate, Marketing Planning, and Sales Reconciliation.

To submit a request, click the **Make a reimbursement request now** button and here you can enter amounts for training, equipment and more.

The screenshot shows the 'Propane Safety Rebate' page within CHS Connect. The left sidebar has the 'Programs' tab selected. The main content area includes a summary of available dollars, a chart showing rebate growth over the year, and a prominent blue button at the bottom labeled 'Make a reimbursement request now' with an orange circle around it.

This FY Rebate Dollars Summary		Rebate Dollars Earned, Year Over Year	
Earned this FY	\$1,506.00	\$1,506.00	This FY
Approved Rebates	\$0.00		
Pending Rebates	\$0.00		
Available Dollars	\$5,000.00	\$20,000.00	Last FY

Ad share rebate program

Select the **Programs tab** from the left-hand navigation of CHS Connect. Then select **Ad Share Rebate**. On this screen, you'll be able to see a summary of your current available dollars and rebate information for the current fiscal year.

The screenshot shows the CHS Connect dashboard. The left sidebar has a vertical list of navigation items: Allocations, Contracts, Credit, Invoices, Manifests, Pricing, Programs (which is highlighted with a blue circle), and Reports. The main content area is titled 'Programs' with the subdescription 'Rebates, marketing, and incentives'. It contains four cards: 'Safety Rebate' (icon of a gas cylinder), 'Ad Share Rebate' (icon of a speaker), 'Marketing Planning' (icon of a document), and 'Sales Reconciliation' (icon of a briefcase). The 'Ad Share Rebate' card is circled in blue.

To submit a request, click the **Make a reimbursement request now** button.

The screenshot shows the 'Cenex Ad Share Rebate' page under the 'Programs' tab. The left sidebar is identical to the previous screenshot. The main content includes a 'Reimbursement Program Overview' section with a list of bullet points about the rebate program, a 'This FY Rebate Dollars Summary' table, and a line graph showing 'Rebate Dollars Earned, Year Over Year'.

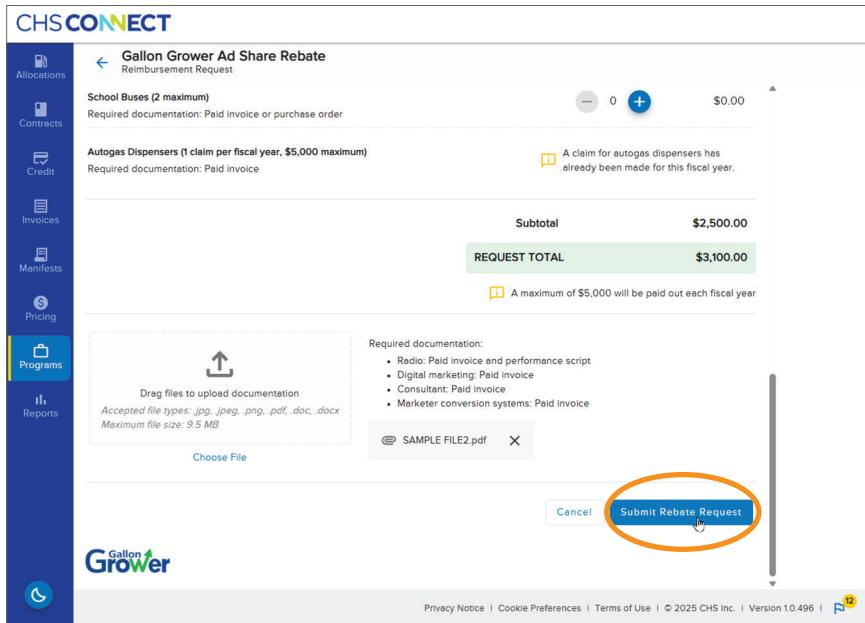

Category	Value
Earned this FY	\$2,307.00
Approved Rebates	\$3,100.00
Pending Rebates	\$0.00
Available Dollars	\$700.00

The line graph shows a steady increase in rebate dollars over time. A callout box points to the value '\$2,307.00 This FY' on the graph. Another callout box points to '\$20,000.00 Last FY' at the end of the line. A blue oval highlights the 'Make a reimbursement request now' button at the bottom right of the graph area.

Marketing planning program

Select the **Programs tab** from the left-hand navigation of CHS Connect. Then select **Marketing Planning**.

The screenshot shows the CHS Connect dashboard. The left sidebar has a vertical list of navigation items: Allocations, Contracts, Credit, Invoices, Manifests, Pricing, and Reports. The 'Programs' item is highlighted with a blue box and has a sub-menu: 'Rebates, marketing, and incentives'. The main content area displays four program cards: 'Safety Rebate' (icon: lock), 'Ad Share Rebate' (icon: speaker), 'Marketing Planning' (icon: document with a checkmark, circled in blue), and 'Sales Reconciliation' (icon: clipboard). Each card has a brief description and a small image below it.

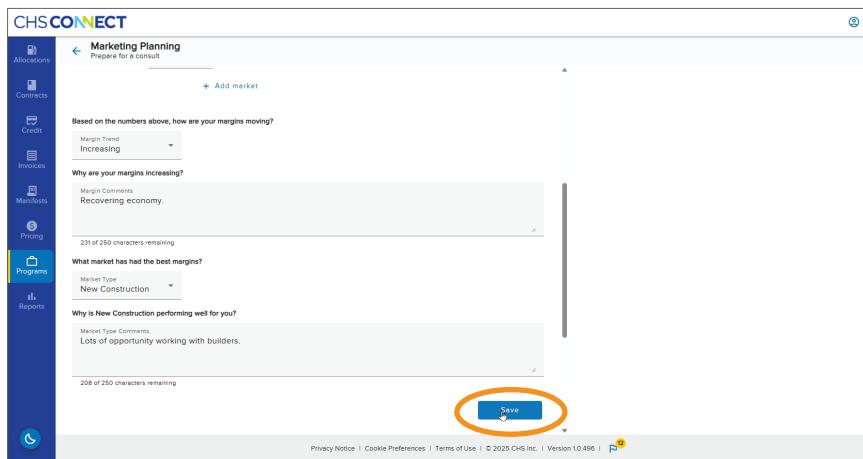

On this screen, you'll see a section for **pre-work**. Fill out the pre-work forms or select from work done in previous years.

The screenshot shows the 'Marketing Planning' page within CHS Connect. The left sidebar is identical to the previous screen. The main content area has a heading 'Marketing Planning' with a sub-instruction 'Prepare and access planning materials'. Below this is a section titled 'Consult Pre-work' with a note: 'To get the most from your consult, please provide us with some basic information about your business, based on last year's sales. This information will be kept confidential.' Two buttons are present: 'Get started on pre-work' (highlighted with a blue circle) and 'Not started'. Further down is a section for 'Previous Consult Pre-work' with a note: 'View your pre-work from past supply years.' and a dropdown menu 'Year to View' set to '2024'. At the bottom of the page are links for 'Consultant Visit Workshop Materials' and 'Propane Marketing Planner', and a 'Gallons Grown' logo.

Marketing planning program *continued*

Fill in the appropriate information in the remaining forms to complete this planning program. Then click the **Save button** to save your updates.

Sales reconciliation

Select the **Programs** tab from the left-hand navigation of the CHS Connect screen and click on the **Sales Reconciliation** section within that page.

The screenshot shows the CHS Connect interface. The left sidebar has a vertical list of navigation items: Allocations, Contracts, Credit, Invoices, Mandates, Pricing, and Reports. The 'Programs' item is highlighted with a blue background and a white icon. The main content area is titled 'Programs' and 'Rebates, marketing, and incentives'. It features four cards: 'Safety Rebate' (Get reimbursement for your safety expenses), 'Ad Share Rebate' (Earn up to \$5,000 in reimbursement for expenses related to your marketing activities), 'Marketing Planning' (Grow sales and increase margins with help from the experts at CHS), and 'Sales Reconciliation' (Reconcile committed amounts to actual gallons dispensed to claim your incentives). The 'Sales Reconciliation' card is circled in blue.

Here you can review current, future and past agreements. In the **Current Agreements** tab, you will be able to enter numbers and the tool will show visual indicators to show whether you are above, below or meeting your volumes.

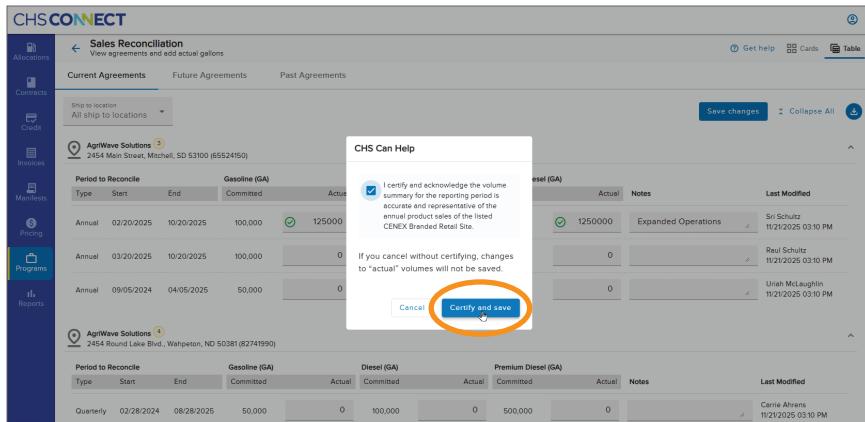

The screenshot shows the 'Sales Reconciliation' section of the CHS Connect interface. The left sidebar shows the 'Programs' tab is selected. The main area is titled 'Sales Reconciliation' and includes tabs for 'Current Agreements', 'Future Agreements', and 'Past Agreements'. The 'Current Agreements' tab is selected and shows a table of agreements for 'AgriWave Solutions'. The table has columns for 'Period to Reconcile', 'Gasoline (GA)', 'Diesel (GA)', and 'Premium Diesel (GA)'. It includes columns for 'Type', 'Start', 'End', 'Committed', 'Actual', 'Actual', 'Committed', 'Actual', 'Notes', and 'Last Modified'. The table shows three annual agreements with various values and notes. Below this, there is another section for 'AgriWave Solutions' with a table for 'Quarterly' periods.

Period to Reconcile	Gasoline (GA)			Diesel (GA)			Premium Diesel (GA)			Notes	Last Modified
	Type	Start	End	Committed	Actual	Actual	Committed	Actual			
Annual	02/20/2025	10/20/2025	100,000	125000	50,000	48000	1200,000	1250000	Expanded Operations	Sri Schultz 11/21/2025 03:10 PM

Sales reconciliation *continued*

Once you've entered your data, click the **save changes** button to save and certify your changes.

The screenshot shows the CHS Connect interface for Sales Reconciliation. On the left, a sidebar lists various menu items: Allocations, Contracts, Credit, Invoices, Payments, Pricing, Programs, and Reports. The main content area is titled 'Sales Reconciliation' and shows two sections: 'Current Agreements' and 'Future Agreements'. Under 'Current Agreements', there is a table for AgriWave Solutions with columns for Period to Reconcile, Type, Start, End, Committed, and Actual. The table shows three rows of data for Annual periods. A modal dialog box titled 'CHS Can Help' is overlaid on the page. It contains a checkbox that says 'I certify and acknowledge the volume summary for the reporting period is accurate and representative of the annual product sales of the listed CENEX Branded Retail Site.' Below the checkbox, a note states 'If you cancel without certifying, changes to "actual" volumes will not be saved.' At the bottom of the modal are 'Cancel' and 'Certify and save' buttons, with the 'Certify and save' button highlighted by a red circle. The main table for AgriWave Solutions shows columns for Gasoline (GA), Diesel (GA), and Premium Diesel (GA), with rows for Annual and Quarterly periods. On the right side of the page, there are buttons for 'Save changes', 'Collapse All', and a user profile icon.

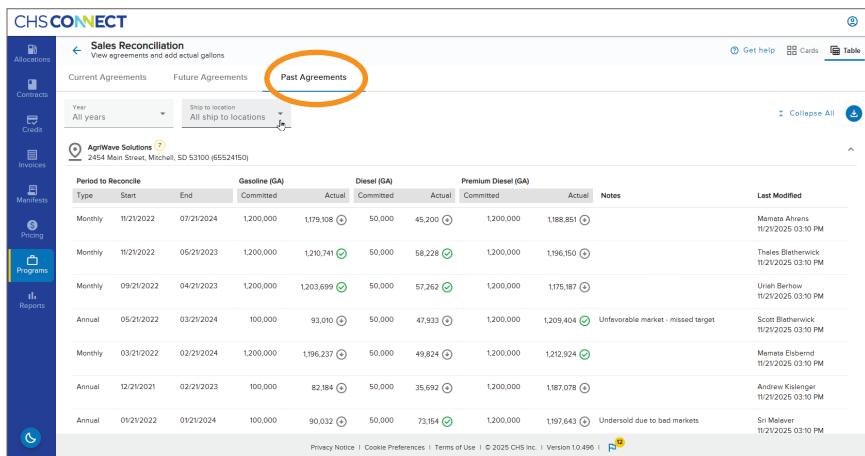

Under the **Future Agreements tab**, you'll be able to review future agreements and add notes to each.

The screenshot shows the CHS Connect interface for Sales Reconciliation, specifically the 'Future Agreements' tab. The left sidebar is identical to the previous screenshot. The main content area is titled 'Sales Reconciliation' and shows the 'Future Agreements' tab selected. Below it are 'Current Agreements' and 'Past Agreements' tabs. The table for AgriWave Solutions shows two rows for Annual periods, with the second row having a note 'Undersold due to bad markets'. The table for Evergreen Farms shows one row for a Quarterly period with a note 'Undersold due to bad markets'. The right side of the page includes a 'Save changes' button, a 'Collapse All' button, and a user profile icon.

Sales reconciliation *continued*

The **Past Agreements** tab allows you to review committed and actual gallons from previous years.

The screenshot shows the CHS Connect Sales Reconciliation page. On the left, there is a vertical sidebar with icons for Allocations, Contracts, Credit, Invoices, Manifests, Pricing, Programs, and Reports. The 'Reports' icon is highlighted with a blue box. The main content area has a header with 'Sales Reconciliation' and 'View agreements and add actual gallons'. Below the header are three tabs: 'Current Agreements', 'Future Agreements', and 'Past Agreements', with 'Past Agreements' circled in orange. There are dropdown menus for 'Year' (set to 'All years') and 'Ship to location' (set to 'All ship to locations'). The main table is titled 'Period to Reconcile' and has columns for Type, Start, End, Committed, Actual, Diesel (GA), Premium Diesel (GA), and Notes. The table lists several entries with columns for Last Modified and Notes. At the bottom of the table, there is a note about privacy and cookie preferences.

Period to Reconcile	Gassoline (GA)			Diesel (GA)			Premium Diesel (GA)			Last Modified	Notes

Propane average cost report

Select the **Reports** tab from the left-hand navigation. Within that page, click on **Propane Average Cost**.

The image shows the CHS Connect interface. The left sidebar is titled 'CHS CONNECT' and includes icons for Allocations, Contracts, Credit, Invoices, Manifests, Pricing, Programs, and Reports. The 'Reports' icon is highlighted with a red circle. The main content area is titled 'Reports' and contains several sections: 'Propane Average Cost' (with a large blue circle around it), 'Propane Supply Planning', 'Propane Supply Nominations', 'Monthly and Annual Sales', 'Year-Over-Year Sales', 'Terminal Clearance', and 'Compliance Report'. Each section has a brief description and icons for Propane and Refined Fuels. At the bottom of the page, there is a footer with links to Privacy Notice, Cookie Preferences, Terms of Use, and Version 1.0.496, along with a 'Print' icon.

On this page you will see a list of relevant contracts. Any contracts selected will be included in the averages of the report. If needed, uncheck the box on the left to remove the contracts you wish to exclude. Run the report by selecting **Run Report** at the top of the page.

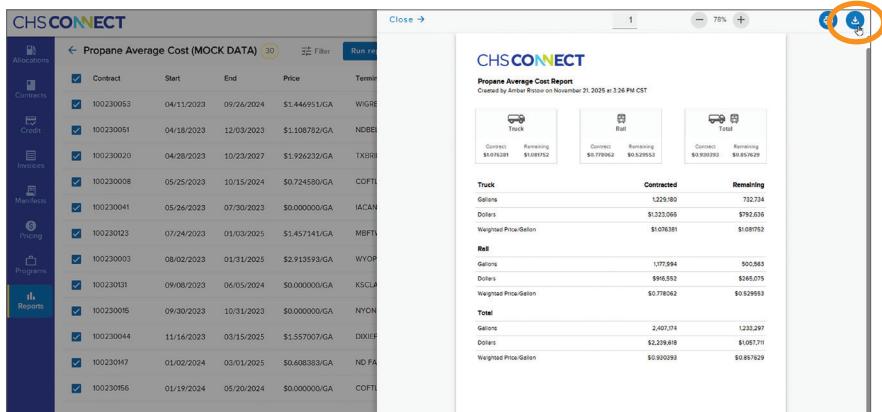

The image shows the CHS Connect interface with the 'Reports' tab selected. The main content area is titled 'Propane Average Cost (MOCK DATA)' and displays a table of contracts. The table has columns for Contract, Start, End, Price, Terminal, MOT, Contracted Volume, Contracted Dollars, Remaining Volume, and Remaining Dollars. Each row has a checkbox in the first column. A red circle highlights the 'Run report' button at the top right of the table. The table shows 30 rows of data. At the bottom right, there are links for 'Cards' and 'Table' and a page number '1-30 of 30'.

Propane supply planning and nominations

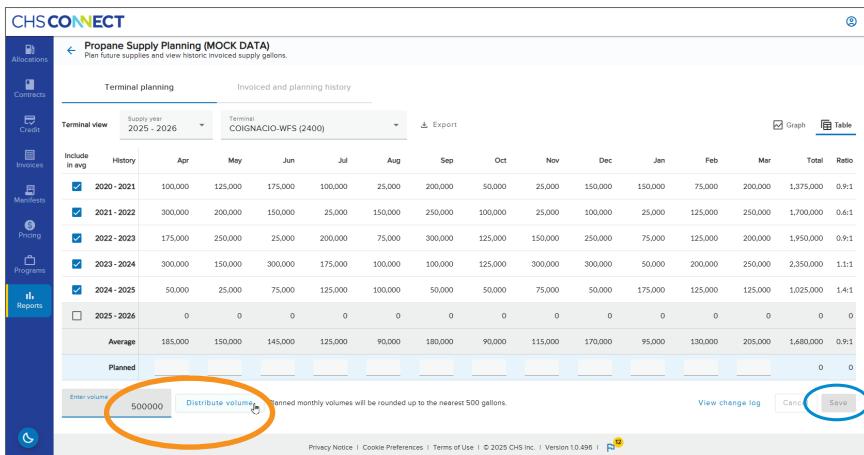

Supply planning

Select the **Reports tab** from the left-hand navigation and click the **Propane Supply Planning** button.

The screenshot shows the CHS CONNECT interface with the 'Reports' tab selected in the left sidebar. The main content area displays several reporting options: 'Propane Average Cost', 'Propane Supply Planning' (which is circled in blue), 'Propane Supply Nominations', 'Monthly and Annual Sales', 'Year-Over-Year Sales', and 'Terminal Clearance'. Each card includes a brief description and a 'Propane' or 'Propane, Refined Fuels' icon. At the bottom of the page, there are links for 'Privacy Notice', 'Cookie Preferences', 'Terms of Use', and a version number 'Version 1.0.498'.

Check and uncheck years to include in monthly average reports. If you'd like to distribute another amount across the months, simply **enter the volume and click distribute volume**.

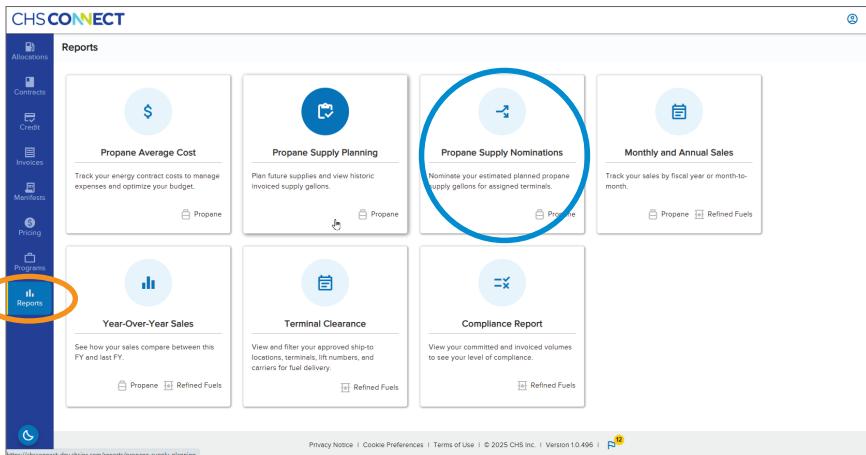

The screenshot shows the 'Propane Supply Planning (MOCK DATA)' page. The left sidebar shows the 'Reports' tab is selected. The main area displays a table for 'Terminal planning' with columns for 'History', 'Apr', 'May', 'Jun', 'Jul', 'Aug', 'Sep', 'Oct', 'Nov', 'Dec', 'Jan', 'Feb', 'Mar', 'Total', and 'Ratio'. The table includes rows for years 2020-2021 through 2024-2025, and a 'Planned' row. At the bottom of the table, there is an input field 'Enter volume' with '500000' typed in, a button 'Distribute volume' (circled in blue), and a note: 'Planned monthly volumes will be rounded up to the nearest 500 gallons.' There are also 'View change log', 'Cancel', and 'Save' buttons. The bottom of the page includes 'Privacy Notice', 'Cookie Preferences', 'Terms of Use', and a version number 'Version 1.0.498'.

When your selections are complete, click the **Save** to complete your distribution.

Propane supply planning and nominations *continued*

Nominations

Navigate back to the **Reports tab** and click **Propane Supply Nominations**.

Sales reports

Select the **Reports** tab from the left-hand navigation and on that page click **Monthly and Annual Sales**.

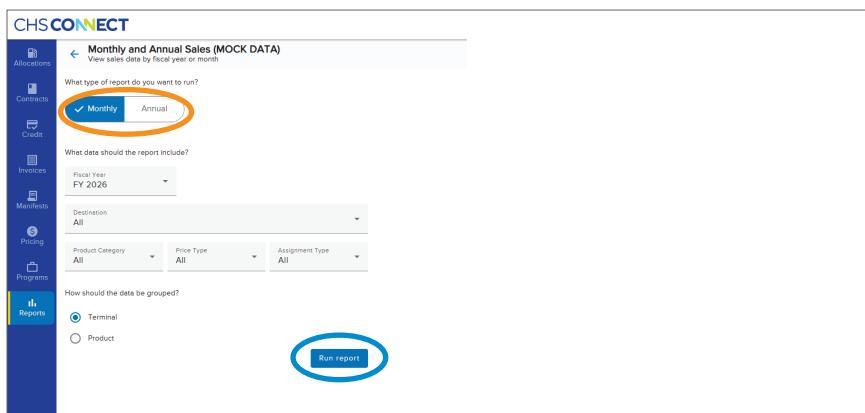

The screenshot shows the CHS Connect 'Reports' section. On the left is a vertical navigation bar with icons for Allocations, Contracts, Credit, Invoices, Manifests, Pricing, Programs, and Reports (which is highlighted with a blue circle). The main area displays several report cards:

- Propane Average Cost**: Track your energy contract costs to manage expenses and optimize your budget. (Icon: \$)
- Propane Supply Planning**: Plan future supplies and view historic invoiced supply gallons. (Icon: clipboard)
- Propane Supply Nominations**: Nominate your estimated planned propane supply gallons for assigned terminals. (Icon: two people)
- Monthly and Annual Sales**: Track your sales by fiscal year or month-to-month. (Icon: document with a dollar sign) - This card is circled in blue.
- Year-Over-Year Sales**: See how your sales compare between this FY and last FY. (Icon: bar chart)
- Terminal Clearance**: View and filter your approved ship-to locations, terminals, IFT numbers, and carriers for fuel delivery. (Icon: clipboard)
- Compliance Report**: View your committed and invoiced volumes to see your level of compliance. (Icon: document with a checkmark)

At the bottom of the page, there is a footer with links to Privacy Notice, Cookies Preferences, Terms of Use, and Version 10.496, along with a 'Feedback' button.

In the report, choose between running a **monthly or annual report** and customize the information within the report. You can also determine how you would like to group the data. Once complete, click the **Run report** button.

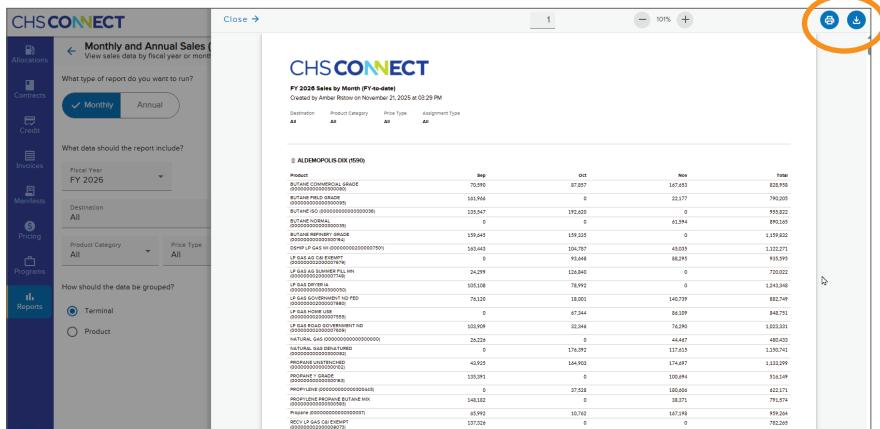

The screenshot shows the 'Monthly and Annual Sales (MOCK DATA)' report configuration page. The left sidebar shows the 'Reports' tab is selected. The main area includes the following fields:

- What type of report do you want to run?**: A radio button for 'Monthly' is selected and highlighted with a blue circle.
- What data should the report include?**:
 - Fiscal Year**: FY 2026
 - Destination**: All
 - Product Category**: All
 - Price Type**: All
 - Assignment Type**: All
- How should the data be grouped?**: A radio button for 'Terminal' is selected.

At the bottom right is a blue button labeled 'Run report'.

Sales reports *continued*

Your report will appear on the right side of the screen and you can print or download from that page.

Terminal clearance

Select the **Reports tab** from the left-hand navigation of the CHS Connect screen and click on the **Terminal clearance** section within.

The image shows the CHS Connect interface. On the left, a vertical navigation bar lists various reports: Allocations, Contracts, Credit, Invoices, Manifests, Pricing, Programs, and Reports. The 'Reports' icon is highlighted with an orange circle. The main content area displays several report cards. One card, 'Terminal Clearance', is circled in blue and highlighted with a larger blue circle, indicating it is the selected report. Other cards include 'Propane Average Cost', 'Propane Supply Planning', 'Propane Supply Nominations', 'Monthly and Annual Sales', 'Year-Over-Year Sales', and 'Compliance Report'. At the bottom of the screen, there is a footer with links to 'Privacy Notice', 'Cookie Preferences', 'Terms of Use', and 'Version 10.496'.

This report outlines how fuel can be lifted and where it can be delivered. Customers can use the **destination tab** at the top of the page to filter the report. The report can also be **downloaded into Excel or PDF format**.

The image shows the 'Terminal Clearance (MOCK DATA)' report. The top navigation bar includes a back arrow, the report title, and an 'Export' button. A dropdown menu for 'Destination' is open, showing 'All' and 'Central Trucking' with 'All' selected. The main table lists various terminals with their details: Nuster Terminal (736), Buckeye Terminal (72), Osceola Terminal (248), Milford Terminal (825), Osceola Terminal (248), Nuster Terminal (675), Buckeye Terminal (820), Milford Terminal (71), Nuster Terminal (236), Clear Lake, Nuster Terminal (840), Clear Lake, and Nuster Terminal (227). The table includes columns for Terminal, City, State, Canex Lift Number, Destination Number, and Carrier. The entire table is highlighted with a light gray background.
