The screenshot shows a registration form titled "ENERGY" with a light blue header. Below the header, there are several sections of options, each with a checkbox and a description. The "Fuels" section is expanded, showing "CHS Connect - Refined Fuels" selected with a checkmark. Below this, there is a dropdown menu labeled "Account Access" with a downward arrow. Other sections include "Energy eDocs Credit", "Lubricants", "Propane", "Petroleum Equipment", and "Retail".

ENERGY

Energy eDocs Credit
☐ **Energy Credit:** Review financial documents including invoices, statements and contracts

Fuels
☐ **Automated Fuels Delivery (AFD):** Monitor tank levels, create orders and billing, schedule deliveries
☐ **Level Management Solutions (LMS):** Track equipment maintenance and monitor tank levels
